

# March Newsletter

Dear brothers and sisters in Christ,

"Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid." John 14:27

Little Billy is 2 months old now and such a little chunk. He is a healthy little guy with a ready grin and we are so thankful for him. I, Lydia have fully recovered, which is a huge blessing as I don't have a history of "bouncing back". Doug's sister, Joyce whom we are living with, just gave birth to her son, Thomas Theodore on March 15th. They are both doing well, and we thank God for health. Having a little newborn in the house again, sure makes Billy seem huge.

As you all know, the world is pretty shut down at this time. We had planned a trip to KY the first week of April and hoped to do some other traveling in the near future, but all has been put on hold until further notice. As we are stuck here in Oklahoma, Doug has applied for a job as an Amazon Prime Delivery driver and was hired immediately.

There's a lot up in the air right now, and a lot of economic difficulty for a lot of people, so one of our reasons for wanting to get some income coming in, is so that you guys are able to do what you need to for your families and churches without feeling like you are putting us in a tight spot because of it. We never know what tomorrow holds, but I think in a lot of ways we may be feeling that more during this time. Please don't hesitate to email or message us with anything that we could join you, your family, or your church in prayer for. If there is anything you need, that we could potentially help with, don't be afraid to ask.

We would like to ask you to pray with us also for wisdom during all of this, the decisions on the table right now, and looking into the future beyond as well. We want to stay on the same page with our Lord, and not run ahead or lag behind.

We also would like to request prayer for Ezra and Joanna who are attempting to get to the states before things completely shut down. Originally they weren't going to come until the end of April and await the birth of their son. However with everything shutting down they decided to come immediately. The first tickets they got were canceled and they have had quite the run around. They are in Manaus now, flying to São Paulo this evening and then on to Miami. Pray for success and health for them.

We pray for God's blessing on you and yours, and that His church would blaze forth the light of the gospel in these times when so many are confused and scared. "Let your light so shine before men..."

Love in Christ,

Doug and Lydia Caudill Family
